

FIREMAN TEAM WINS ANOTHER

Defeats Shelton Payne
Club in 11th Inning Bat-
tle at High Stadium.

Timely hitting in the 11th inning, coupled with some fast base running, enabled chief John W. Wray's city armers to bring home the bacon Sunday morning, when their baseball team faced the strong Shelton Payne club. The final score, nine to six, is indicative of a well-contested game as each team put forth its best efforts throughout the entire 11 innings. The winning runs were made when catcher Wheeler, of the firemen's team, singled to right in the last session, scoring Engle and Foust and later scampering home when Hammonds singled to center.

Don't Experiment With Catarrh; It Often Leads To Dread Consumption

You Will Never Be Cured by Local Treatment With Sprays and Douches.

Catarrh is a condition of the blood and can not be cured by local applications of sprays and douches, this has been proven by the thousands who have vainly resorted to this method of treatment.

Catarrh should not be neglected or experimented with. The wrong treatment is valuable time lost, during which the disease is getting a firmer hold upon its victim, and making it more difficult for the proper treatment to accomplish results.

Though Catarrh makes its first appearance in the nostrils, throat and

405 TAKES ONE FROM FELDMAN

Superior Hitting of Auto
Aggregation Ends in a
One Sided Victory.

Army-City league affairs took on additional interest Saturday afternoon at the Rio Grande ball yard when the race for positions became more closely contested by the 405 team defeating the Feldman Photo men with a deluge of hits, score 14 to 2 in nine innings. As a result of the victory the Perkins aggregation dropped back to a tie with the Zone Supply office for third place, and the 405 team is now but a few points behind the Dodgers in an effort to get out of the cellar.

While poorly played at various stages the contest was livened by some snappy hitting and fielding, many players taking advantage of the opportunity to fatten their swatting averages.

Open Up Artillery.

Pilot Joe Calamia's crew opened up its heavy artillery in the second and third innings and after that the issue was never in doubt, as the Auto aggregation seemed to hit everything that was served up to the plate. Hammonds, who started the game for the 405 team, showed considerable speed in the first inning, but this proved but a brief respite, as in the following stanza his delivery was slammed to the four corners of the ball lot by the intrepid southsiders. In five of the nine innings runs were sent across the plate by the 405 players, who, in spite of the continual efforts of their opponents, managed to keep up a substantial margin on the scoreboard.
